

**CD "QUINTETS" / with Silvia Chiesa, Maurizio Baglini, Scala String Quartet / Schubert - Schumann (Decca 2018)**

"The interpretation is rich in expressiveness, the phrasing is elegant and the sound is soft." **Luisa Sclocchis, *Amadeus*, June 2019**

"The cello of Silvia Chiesa perfectly contributes to the rendering of the Quintet by Schubert [...]. Not a solo performer, but a smart new voice that nourishes the conversation with new contents, reflections and incentives in the polyphonic largeness and timbric richness." **Roberta Pedrotti, *Apemusicale.it*, 17 January 2019**

"The live performance leaves a really strong trace: the oratory emphasis and the expressive impetus make the listening absorbing." *Gregorio Moppi, La Repubblica*, **26 November 2018**

"The shiver down the spine, it must be confessed, runs biting." *Elide Bergamaschi, Il Cittadino di Lodi*, **10 October 2018**

"A reading that fully returns the abysses of music, but also its unsurpassed delicacy." *Dino Villatico, Repubblica*, **7 October 2018**
